Your school is piloting a **Hybrid Walking School Bus Program!**

The **Hybrid Walking School Bus** is designed to promote *active transportation and healthy living*. Led by a combination of paid leader and volunteers from the school community, students walk with a group of their peers along a specific route and schedule. All leaders are trained and vetted by the Ottawa Safety Council to make sure your child has a safe and educational walk to school.

**Interested in becoming a volunteer?
Training is free!**
